A GREAT PLACE to Learn!

"There is such a wide variety of educational opportunities in Tuscaloosa County. An individual can learn to be a cook or a cabinet maker, an engineer or a physicist. From K thru 12, from technical training to a Ph.D. . . . our community is blessed with quality education provided by nationally recognized faculties."

—Dr. Arthur Howington
Dean of Academic Services
Shelton State Community College

"Tuscaloosa County has abundant resources natural, human and educational resources. There are very few communities anywhere of comparable size that has the educational opportunities available right here at home. And there is such a fine core of dedicated, professional educators in Tuscaloosa County. There's no doubt, this is a great place to learn."

—Mr. Ronnie Rose
Administrative Head
Fredd State
Technical College
